

Lies

Written and programmed by Trifonic / Lyrics by Laurence Trifon (license Creative Commons 3.0)

When you walked away, (it) was the
Shattered my heart and left me (in) with
Now you say you need me
Asking if you can come in

Saddest day (that) the world has known
Pieces (of) in a broken home
Standing at the door
And I can't say no, no I can't say no

[Chorus 1]

[Am9] [Am9/C]
You and I, just can't say goodbye
[Am9/F] [Bm/G]
It's just another lie.
[Am9/F]
But every time I'm with you,

[Am9] [Am9/G]
Every time we do, well
[Am9] [Am9/G]
I know you're no good for me,
[Bm/G]
There's nowhere I'd rather be

We've been to hell, been burnt by the
Even the strongest god in the heavens would
But here I lie
Right where I want to be

Flames of a pain so deep that
Kneel and weep
Pressed against your skin
You're the sweetest sin

[Solo/Bridge sur Am9 [Am9/G] -> F]

[Chorus 2]

[Am9] [Am9/C]
You and I, just can't say goodbye
[Am9/F] [Bm/G]
It's just another lie.
[Am9/F]
But every time I'm with you,

[Am9] [Am9/G]
Every time we do, well
[Am9] [Am9/G]
I know you're no good for me,
[Bm/G]
There's nowhere I wanna be
